CALL FOR PAPERS

SRIA 2027

The 1st International Conference on Social Robotics and Intelligent Agents

Theme: Human-Robot Coexistence and Next-Generation Intelligent Agents

Date: March 20 (Sat) – March 22 (Mon), 2027 **Venue:** National Taiwan University, Taipei, Taiwan

CONFERENCE TRACKS

Track 1: Embodied AI & Core Technologies

- Embodied AI & Autonomous Robotic Systems
- Multi-Agent Systems & Generative AI Agents
- LLMs & Intelligent Assistants

Track 2: Social Robotics & HRI

- Human-Robot Interaction (HRI) & Collaboration
- Emotion, Cognitive Linguistics & Nonverbal Comm.
- Service Robots, Companion Robots & UX

Track 3: Interdisciplinary Applications

- AI & Social Robots for Aging Society & Care
- AI in Healthcare & Medical Robotics
- AI in Education & Smart Cities

Track 4: Ethics, Governance & Humanities

- AI Ethics, Legal Informatics & Robot Governance
- Explainable AI (XAI) & Responsible AI

Featured Exhibition & Social Robotics Demo Showcase

SUBMISSION GUIDELINES

Full Paper (4–8 pages) Oral / Poster
Completed research. Authors may select preferred presentation mode.

Extended Abstract (1–2 pages) Oral Only
Preliminary findings or work-in-progress. Strictly oral presentation.

IMPORTANT DATES

Submission Portal Opens	**Oct 1, 2026**
Paper Submission Deadline	**Dec 15, 2026**
Acceptance Notification	**Jan 15, 2027**
Camera-Ready Deadline	**Feb 5, 2027**
Early-Bird Registration	**Feb 10, 2027**
Conference Dates	**Mar 20–22, 2027**

KEYNOTE SPEAKER
Prof. Yasuhisa Hirata
Tohoku University, Japan
